The Regional Joint Directors of School Education and District Educational Officers in the state are informed that during the transfers counselling certain posts of teachers i.e., School Assistants and equivalent cadres have fallen vacant in remote areas and there is a dire need to accommodate regular teachers for smooth running of academic instruction.

Hence, it is decided that, the teachers who are considered for transfers shall be continued in the same post and school, until another regular teacher joins in that school, unless minimum requirement of teacher strength as per rationalization norms is fulfilled. In case, if the minimum requirement is met as per rationalization norms, only the senior most teacher/s shall be relieved.

Therefore, the Regional Joint Directors of School Education and District Educational Officers in the State are requested to take immediate necessary action in the matter.
